Terms & Conditions:

Please make an appointment with us at **208.343.3932** to select your keepsake design.

We do not ship glass domes, glass containers, and glass tabletop squares and hexagons.

Your order serves as your consent to allow Naturalistic Flower Preservation to create your display using our best judgment with your selections. Naturalistic Flower Preservation is authorized to use whatever materials and techniques necessary to properly mount any memento without regard to damage, staining, or reversibility.

All Bouquets are disassembled so each flower can be individually pre-treated with solutions that shatterproof, set natural color, and open cell structure.

We select the best flowers after the freeze dry process to use in your designs. Flowers not used in the designs become the property of Naturalistic Flower Preservation.

Naturalistic Flower Preservation reserves the right to substitute matching flowers when needed due to damage of original flowers. Extra charges may occur.

Due to Mother Nature – flowers may change color slightly. Color enhancement may be used.

Keep your Preserved Keepsake out of moist areas (i.e. bathrooms, kitchens, outside porches) and out of direct sunlight to prevent deterioration and pre-mature fading.

Fresh Foliages don't always fare well in the process, and sometimes substituted with silk.

Your order serves as your consent to allow Naturalistic Flower Preservation or its representatives to use images created of your keepsake display cases for editorial, advertising, contest, and exhibition usage.

Once your design is completed we will contact you by phone or email. Keepsakes must be picked up within 3 weeks of the call. Please call to set an appointment for pick up. Any keepsakes not picked up after 4 weeks will be considered abandoned and will become the property of Naturalistic Flower Preservation. If abandoned, the keepsake can then be used for display purposes.

Naturalistic Flower Preservation stands behind the quality of our work. If for any reason you have a problem with your keepsake after receiving it, please call us immediately so we can make arrangements to correct the problem. Damage due to mishandling is not covered by the warranty. After warranty we will be happy to make repairs at a reasonable cost. Naturalistic Flower Preservation cannot guarantee long lasting durability of any finished product not sealed by Naturalistic Flower Preservation.

If keepsake is damaged in shipping, you must notify your carrier and Naturalistic Flower Preservation within 24 hours. Keep all packaging material. Any authorized returns must be insured for full value.

In the event of acts of God, loss of power or machine failure, our liability is limited to refund of the customer's deposit and or payment made on keepsakes.

Deposits are required at the time of delivery of your fresh flowers.
